

Come On Over

Royal Blood

I'm on a train going nowhere
I ran away to make you care
this ain't my house this ain't your home
not when I'm feeling this alone So come on over yeah,
I've waited since you start believin'
Yeah so come on over yeah,
Well there's no god and I don't really care Lets run away, get out of here
I got no money and I don't care
This ain't my house this ain't your home
not when I'm feeling this alone
So come on over yeah,
I've waited since you start believin'
Yeah so come on over yeah,
there's no god and I don't really care, I don't really care I'm on a train going nowhere
I ran away to make you care
this ain't my house this ain't your home not when I'm feeling this alone
So come on over yeah,
I've waited since you start believin'
Yeah so come on over yeah,
Well there's no god and I don't really care
