

# Come On Over

## Royal Blood

I'm on a train going nowhere  
I ran away to make you care  
this ain't my house this ain't your home  
not when I'm feeling this aloneSo come on over yeah,  
I've waited since you start believin'  
Yeah so come on over yeah,  
Well there's no god and I don't really careLets run away, get out of here  
I got no money and I don't care  
This ain't my house this ain't your home  
not when I'm feeling this alone  
So come on over yeah,  
I've waited since you start believin'  
Yeah so come on over yeah,  
there's no god and I don't really careI'm on a train going nowhere  
I ran away to make you care  
this ain't my house this ain't your home not when I'm feeling this alone  
So come on over yeah,  
I've waited since you start believin'  
Yeah so come on over yeah,  
Well there's no god and I don't really care
