You Gave Me Nothing

Mark Ronson & The Business Intl.

That's the last time I'll be hypnotized
I'll be victimized, oh, oh, oh
All the things you used to say to me
Just to get your way, oh, oh, ohI reached out for your hand
And you threw it all away
I'm gonna make you understand
That you threw it all awayAnd if you loved me, you never showed me
You've got some things to figure out
And if you loved me, you never told me
I've got some things to tell you 'boutYou're not my baby
'Cause you gave me nothing to hold on to
You're not my baby
'Cause you gave me nothing to hold on to
And I tried, and I tried
But you gave me nothing that I could hold on toNow I know that you were in disguise
Only told me lies, oh, oh, oh
Never really looked me in the eyes
Better say goodbye, oh, ohI reached out for your hand
And you threw it all away
I'm gonna make you understand
That you threw it all awayAnd if you loved me, you never showed me
You've got some things to figure out
And if you loved me, you never told me
I've got some things to tell you 'boutYou're not my baby
'Cause you gave me nothing to hold on to
You're not my baby
'Cause you gave me nothing to hold on to
And I tried, and I tried
But you gave me nothing that I could hold on toYou'll never know how it feels to be me
How it feels to be me, oh
I'll never know how it feels to be you
How it feels to be you, ohYou'll never know how it feels to be me
How it feels to be me, oh
I'll never know how it feels to be you
How it feels to be you, ohYou're not my baby
'Cause you gave me nothing to hold on to
You're not my baby
'Cause you gave me nothing to hold on toAnd I tried, and I tried
But you gave me nothing that I could hold on to
And I tried, and I tried
But you gave me nothing that I could hold on to
