I'm Gonna Lasso Santa Claus

Brenda Lee

I'm gonna lasso Santa Claus
And I know just why because
I'm gonna pull, pull, pull, on his beard
Pull, pull, and see if it's realI'm gonna tick, tick, tickle him on the tummy
Because he laughs so funny
He's so jolly and so fine
When he comes around on Christmas timeI'm gonna lasso Santa Claus
And the reason is because
I know a boy and girl he never goes see
He never brings 'em toys like he does for me
I'm gonna pop, pop Santa Claus
With my water pistol gun
And then I'll take his bags of toys and run
And bring to all the kids who don't have noneI'm gonna lasso Santa Claus
And I know just why because
I'm gonna pull, pull, pull, on his beard
Pull, pull, and see if it's realI'm gonna tick, tick, tickle him on the tummy
Because he laughs so funny
He's so jolly and so fine
When he comes around on Christmas timeI'm gonna lasso Santa Claus
And the reason is because
I know a boy and girl he never goes see
He never brings 'em toys like he does for me
I'm gonna pop, pop Santa Claus
With my water pistol gun
And then I'll take his bags of toys and run
And bring to all the kids who don't have none
