

# Famous

## Big Time Rush

Do you want to  
Ride in a big limousine  
Tell me do you want to  
Take a little bite of the fame machine  
If you wanna be discovered  
And end up on the cover of every star-studded supermarket magazine You can do it  
Stick right to it  
It could happen tonight You wanna be famous (famous)  
You wanna be the one who's living the life  
You wanna be famous (famous)  
You wanna be the one who's taking a free ride  
Do you want to  
Cut to the front of the line?  
Baby, do you need to  
See your name in lights just like the Hollywood sign  
Come on, we gotta work harder  
Fight the fight together  
Take it to the top  
We've got the winning team It's your moment  
You can own it  
It's the American dream You wanna be famous (famous)  
You wanna be the one who's living the life  
You wanna be famous (famous)  
You wanna be the one who's taking a free ride  
All day, all night  
The camera's on and it never lies  
You're under the spotlight  
Twenty-four seven til the end of time  
Whoa, oh  
You wanna be famous (famous)  
Whoa, oh  
You wanna be famous  
You wanna be famous (famous)  
You wanna be the one who's living the life You wanna be famous (famous)  
You wanna be the one who's taking a free ride  
You wanna be famous  
Your song is on the radio Hot rotation video Bright lights, fan mail  
Paparazzi on your tail  
Tour bus, private jet  
Thinking big ain't failed you yet  
Just one thing you can't forget  
Takes more than just wanting it

Aim high, never rest  
Put your passion to the test  
Give your all, never less  
Famous means that you're the best
