Timeflies

Man she been drinkin' all night
She got that feelin' feelin'
She make me wanna throw this money
From the ceiling ceiling
I'ma need that Jager Bomb, Fuzzy Navel
Girl I know you with it
Oh go get all your friends get in this Benz
Whoo!
Somebody gon' get it
Oh Oh Oh Oh Oh Oh
Can I hit it in the morning?
Somebody gon' get it
Oh Oh Oh Oh Oh Oh
Can I hit it in the morning?
Somebody gon' get it
Can I hit it?
We just need to vibe for one minute
Know you'll love the way that I did it
Just snap back and I'll fit it
And in the mornin'
