Look What You Made Me Do

Taylor Swift

I don't like your little games Don't like your tilted stage The role you made me play Of the fool

No, I don't like youI don't like your perfect crime How you laugh when you lie You said the gun was mine

Isn't cool

No, I don't like you (Oh)But I got smarter, I got harder in the nick of time Honey, I rose up from the dead, I do it all the time

I've got a list of names and yours is in red, underlined

I check it once, then I check it twice, oh!

Ooh, look what you made me do

Look what you made me do

Look what you just made me do

Look what you just made me, oohOh! Look what you made me do

Look what you made me do

Look what you just made me do

Look what you just made me doI don't like your kingdom keys

They once belonged to me

You asked me for a place to sleep

Locked me out and threw a feast (What?!)The world moves on, another day, another drama, drama

But not for me, not for me, all I think about is karma

And then the world moves on, but one thing's for sure

Maybe I got mine, but you'll all get yours

But I got smarter, I got harder in the nick of time

Honey, I rose up from the dead, I do it all the time

I've got a list of names and yours is in red, underlined

I check it once, then I check it twice, oh! Ooh, look what you made me do

Look what you made me do

Look what you just made me do

Look what you just made me, oohOh! Look what you made me do

Look what you made me do

Look what you just made me do

Look what you just made me doI don't trust nobody and nobody trusts me

I'll be the actress starring in your bad dreams

I don't trust nobody and nobody trusts me

I'll be the actress starring in your bad dreamsI don't trust nobody and nobody trusts me

I'll be the actress starring in your bad dreams

I don't trust nobody and nobody trusts me

I'll be the actress starring in your bad dreamsI'm sorry, but the old Taylor can't come to the

phone right now Why?

Oh, 'cause she's dead!

Oh!Ooh, look what you made me do

Look what you made me do

Look what you just made me do

Look what you just made me, oohOh! Look what you made me do

Look what you made me do

Look what you just made me do

Look what you just made me doOh! Look what you made me do

Look what you made me do

Look what you just made me do

Look what you just made me, oohOh! Look what you made me do

Look what you made me do

Look what you just made me do

Look what you just made me do
