Bye Bye (feat. Ivy Adara)

Gryffin

This ain't right and we know it
Be outta sight when I finish with this cup of coffee
It's the best time, we'll be golden
Don't wanna cry'Cause I don't know where to go, but I'm going
And we say we'll stay in touch but we won't and
We're staying 'cause we're scared to be lonely
But we both know this ship sinking slowlyDon't wanna see you, wanna kiss you, wanna love you
But I don't wanna say bye, don't wanna say bye
I got my reasons but I get caught in my feelings
And I don't wanna say bye, don't wanna say bye, bye
I don't wanna say bye, bye don't wanna say bye, bye
I got my reasons but I get caught in my feelings
And I don't wanna say nye, don't wanna say bye, bye
Don't wanna say bye, bye, don't wanna say bye, bye
So tongue-tied 'cause we're talking
Just white lies 'cause I don't wanna
See you hurt in the good times
Come figh it, try not to cry'Cause I don't know where to go, but I'm going
And we say we'll stay in touch but we won't and
We're staying 'cause we're scared to be lonely
But we both know this ship sinking slowlyDon't wanna see you, wanna kiss you, wanna love you
But I don't wanna say bye, don't wanna say bye
I got my reasons but I get caught in my feelings
And I don't wanna say bye, don't wanna say bye, bye
I don't wanna say bye, bye don't wanna say bye, bye
I got my reasons but I get caught in my feelings
And I don't wanna say nye, don't wanna say bye, bye
Don't wanna say bye, bye, don't wanna say bye, bye
I know I need to let you go
We need to cut these ties
But tell me that If I let you got
You will still be mine, oohDon't wanna see you, wanna kiss you, wanna love you
But I don't wanna say bye, don't wanna say bye
I got my reasons but I get caught in my feelings
And I don't wanna say bye, don't wanna say bye, bye
I don't wanna say bye, bye don't wanna say bye, bye
I got my reasons but I get caught in my feelings
And I don't wanna say nye, don't wanna say bye, bye
Don't wanna say bye, bye, don't wanna say bye, byeNo, I don't wanna
No, I don't wanna say

No, I don't wanna say bye, bye
No, I don't wanna
No, I don't wanna say
No, I don't wanna say bye, bye
