Whenever I Call You "Friend" (feat. Stevie Nicks)

Kenny Loggins

Whenever I call you friend
I begin to think I understand
Anything we are
You and I have always been ever and everI see myself within your eyes
And that's all I need to show me why
Everything I do always takes me home to you
Ever and everNow I know my life has given me
More than memories
Day by day we can see
In every moment there's a reason to carry onSweet love showin' us a heavenly light
I've never seen such a beautiful sight
Sweet love flowin' almost every night
I know forever we'll be doin' it
Sweet love showin' us a heavenly light
I've never seen such a beautiful sight
Sweet love flowin' almost every night
I know forever we'll be doin' it rightWhenever I call you friend
I believe I've come to understand
Everywhere we are you and I were meant to be
Forever and everI think about the times to come
Knowin' I will be the lucky one
Ever our love will last
I always want to call you friendSweet love showin' us a heavenly light
Never seen such a beautiful sight
Sweet love flowin' almost every night
I know forever we'll be doin' it
Now I know my life has given me
More than memories
Day by day we can see
In every moment there's a reason to carry onSweet love showin' us a heavenly light
Never seen such a beautiful sight
Sweet love flowin' almost every night
I know forever we'll be doin' it doin' itSweet love showin' us a heavenly light
I never seen such a beautiful sight
Sweet love flowin' almost every night
I know forever we'll be doin' it, doin' it, doin' itSweet love, sweet love, yeah
You're the glowing light in my life
So, so bright in my life
Oh, everything I do sends me back to you

Whenever I call you friend
