

Better Now

Collective Soul

Yeah-yeah
Oh, I'm newly calibrated
Yeah-yeah
Oh, shiny and clean
Yeah-yeah
I'm your recent adaptation
Yeah-yeah
Time to redefine meLet the word out
I've got to get out
Whoa, I'm feeling better now
Break the news out
I've got to get out
Whoa, I'm feeling better now
Yeah-yeah
I'm happy as Christmas
Yeah-yeah
All wrapped to be seen
Yeah-yeah
I'm your recent acquisition
Yeah-yeah
Time to celebrate meLet the word out
I've got to get out
Whoa, I'm feeling better now
Break the news out
I've got to get out
Whoa, I'm feeling betterThe world's done shakin'
The world's done shakin'
The world's done shakin' me down
The world's done shakin'
The world's done shakin'
The world's done shakin' me downLet the word out
I've got to get out
Whoa, I'm feeling better now
Break the news out
I've got to get out
Whoa, I'm feeling better now
Let the word out
I've got to get out
Whoa, I'm feeling better now
Break the news out
I've got to get out

Whoa, I'm feeling better now
