How to Love (feat. Sofia Reyes) [Arty Remix]

Cash Cash

One two threeI've been running from the pain
Trying not to feel the same
But it's a shame that we're sinking
See my confidence is shaking
And my heart is feeling vacant
So you try to fill it inYou say "I can fix the broken in your heart
You're worth saving darling"
But I don't know why you're shooting in the dark
I got faith in nothingBut love, pray for me
I never had somebody
So I don't know how to love
Pray for me
I know I need somebody
So I can learn how to love
How to love(Love)
How to love(Love)
How to love(Love)
I know it's been a while
Cause my memory's on trial
For the way I used to beMy head is running miles
Round in circles and I try
To find the little to light in me
You say "I can fix the broken in your heartYou're worth saving darling"
But I don't know why you're shooting in the dark
I got faith in nothing
But love, pray for me
I never had somebody
So I don't know how to love
Pray for me
I know I need somebody
So I can learn how to love
How to love(Love)
How to love(Love)
How to love(Love)
I know I need somebody
I know I need somebody
I know I need somebody
So I can learn how to love
How to love
How to love
So I can learn how to love
How to love

How to love
How to love
Love, love, love, love, love, love, oh
I know I need somebody
I know I need somebody
I know I need somebody
So I can learn how to love
Pray for me
How to love(Love)
How to love(Love)
