Come Monday

Jimmy Buffett

Headed up to San Francisco
For the Labor Day weekend show
I got my Hush Puppies on
I guess I never was meant for glitter rock & roll
And honey, I didn't know that I'd be missin' you soCome Monday, it'll be alright
Come Monday, I'll be holding you tight
I spent four lonely days in a brown L.A. haze
And I just want you back by my sideYes, it's been quite a summer
Rental cars & west bound trains
And now you're off on vacation
Some thing that you tried to explain
Yes, since I love you so
That's the reason I just let you go
Come Monday, it'll be alright
Come Monday, I'll be holding you tight
I spent four lonely days in a brown L.A. haze
And I just want you back by my sideI can't help it honey
You're that much part of me now
Remember that night in Montana
When we said there'd be no room fo doubtI hope your enjoying the scenery
I know that it's pretty up there
Yeah, we can go hiking on Tuesday
With you I'd walk anywhere
California has worn me quite thin
I just can't wait to see you again
Come Monday, it'll be alright
Come Monday, I'll be holding you tight
I spent four lonely days in a brown L.A. haze
And I just want you back by my sideI spent four lonely days in a brown L.A. haze
And I just want you back by my side
