

# The Flyest

## O.T. Genesis

I'm the flyest nigga in the world  
I'm the flyest nigga in the world  
I'm the flyest nigga in the world  
I'm the flyest nigga in the world  
Who you know that's better than me?  
Nobody

I'm the flyest nigga in the world  
I'm the flyest nigga in the world All my life I sold coke  
Mmm, mmm, mmm, mmm  
My ex took me for a joke  
Mmm, mmm, mmm, mmm  
All these damn trash bags  
But it ain't no trash in 'em, no  
I don't sit on shit, nigga  
All I do is send 'em

Heard a couple niggas wanna rob me  
But still ain't do shit

Fuck with me like watchin' a movie  
Why? You gon' get this clip

I'm the flyest nigga in the world  
I'm the flyest nigga in the world  
I'm the flyest nigga in the world  
I'm the flyest nigga in the world  
Who you know that's better than me?  
Nobody

I'm the flyest nigga in the world  
I'm the flyest nigga in the world First time I seen coke  
My mama caught me in the kitchen (oh shit)  
I'm thinkin' like, "What you lookin' at, mama?"  
I'm tryna get me a chicken, damn  
Nigga said he got more money than me  
Mmm, mmm, mmm, mmm  
You broke niggas lookin' funny to me  
Mmm, mmm, mmm, mmm, you ain't got it, you ain't got it  
Trickin' off on all of these hoes  
Well that's a shame on you  
Tryna holla at my bitch?  
POP! A stain on you

I'm the flyest nigga in the world  
I'm the flyest nigga in the world  
I'm the flyest nigga in the world  
I'm the flyest nigga in the world

Who you know that's better than me?

Nobody

I'm the flyest nigga in the world

I'm the flyest nigga in the world
