The Sound of Violence

Cassius

i feel like i wanna be inside you,
when the sun goes down yeah
all my heart,
taking in back the blue.
i'm falling into my own senses.
another night, another day.
it's better this way, let the music playall my heart,
only you can know how i feel,
every day is an odd deal to get by,
melancholy have song,
broken skin, look here when i say.i feel like i wanna be inside you,
when the sun goes down.
i feel like i wanna be inside you,
when the sun goes down yeah.
all my heart,
there's movement across the tracks,
I hope to play it all back, alright
lucky me, lucky you,
they've given us, too many warnings.all my heart,
changing the way i kill, by changing the way I feel,
step forward.
everybody, around the world understands,
what makes a child a man, yes Ii feel like i wanna be inside you,
when the sun goes down.
i feel like i wanna be inside you,
when the sun goes down yeahi feel like i wanna be inside you,
when the sun goes down.
as long as i'm gonna be around you,
when the sun goes down yeah
i feel like i wanna be, you more than i
get around, come around yeah yeah.
see you every night, hear the crowd.
sound of violence, check it out.i feel like i wanna be inside youlet it out, gonna let it all out
let it out when the sun goes downyou'll be coming out, let it all out
gonna let it out when the sun goes downlet it out, gonna let it all out
let it out when the sun goes downyou'll be coming out, let it all out
gonna let it out when the sun goes down on me...
on me...
when the sun goes down on me...
on yeah...
