That Ain't Me (feat. Jay Sean)

Lil Wayne & Jay Sean

Cut the music up pleaseYeah, I should never leave hip hop
Controlled by my two hands, they go tick tock
Around the clock, yes it's my time, my throne
Better know the time of day in any fucking time zone
I'm feeling like I'm on top of the rhinestone
Pullin' the ladder from heaven about to climb home
Mental thoughts are sharper than a pine cone
In this world of numbers I keep my nine on
And I don't go to church because the line long
And the preacher, he be getting his shine on
But I know my Lord I am God's own
Back to my hands, tick tick a time bomb
Boom (boom)
Yeah, don't you know I'll be (I'll be)
Yeah, don't you know I'll be (I'll be)
Yeah, don't you know I'll be (I'll be)
I'll be here cause I won't quit yeah
You can try to lock me up
You can try to break me down
But I stay strong, it's my throne
Can't stop now cause that ain't me
You can try to lock me up
You can try to break me down
But I stay strong, it's my throne
Can't stop now cause that ain't me
Try to stay afloat on my inner tube
When they turn my city into a swimming pool
Before that, it was a living cesspool
We got get on our shit like gnats do
Police's be on my tip like hats do
But I just stay strong like blacks do
Never saved by the bell in a black school
And I stay in trouble like Zack do
And in this game nobody's on my plateau
Therefore my name remains like a tattoo
Yes I take giant steps in Shaq boots
B-I-R-D man jun-ior, or Weezy F BabyYeah, don't you know I'll be (I'll be)
Yeah, don't you know I'll be (I'll be)
Yeah, don't you know I'll be (I'll be)
I'll be here cause I won't quit yeah
You can try to lock me up
You can try to break me down

But I stay strong, it's my throne
Can't stop now cause that ain't me
You can try to lock me up
You can try to break me down
But I stay strong, it's my throne
Can't stop now cause that ain't meThat ain't me
See I won't stop
That ain't me
I won't quit
That ain't me
No I won't stop
That ain't me
Cause that ain't meYeah, alright, alright, alright
Alright, I'm in their conversations
The titles up for grab I'm into confiscation
Punch, shot and stab now your the doctors patient
Wild like an Arab from the Islamic nation
I get money round the clock, ain't got no time for hating
And these niggas ain't shit like their constipated
I get the Coupe with the kit, watch me lobster red it
Drop the top at the light, that's when I behead it
So far ahead of them I feel outdated
But I feel electric like I'm Raiden
Used to play Mortal Kombat when I was a couch potato
And now I'm coming out the faders, no homoYeah, don't you know I'll be (I'll be)
Yeah, don't you know I'll be (I'll be)
Yeah, don't you know I'll be (I'll be)
I'll be here cause I won't quit yeah
You can try to lock me up
You can try to break me down
But I stay strong, it's my throne
Can't stop now cause that ain't me
You can try to lock me up
You can try to break me down
But I stay strong, it's my throne
Can't stop now cause that ain't meThat ain't me
You see I won't stop
That ain't me
I can't stop
That ain't me
Cause I won't quit, no I won't quit
That ain't me
No that ain't meeee
