

# Motivation (Screwed Version)

## T.I. & Paul Wall

Better get on ya job, tell 'em, "Haters get on ya job, nigga" (Motivation)  
Nigga, get on ya job, tell 'em, "Haters get on ya job, nigga" (Motivation)  
Haters better get on ya job, tell 'em, "Haters get on ya job, nigga" (It's motivation)  
Sucka nigga, get on ya job, if ya hatin,' get on ya job, nigga You can look me in my eyes, see  
I'm ready for whatever  
Anythang don't kill me make me better  
I ain't dead, nigga, you can take the fame and the cheddar  
Any game, any deal, I'm still a go-getter  
Take my freedom for the moment but it ain't forever  
I got the spirit of a god, heart of a dope dealer  
I'm a king, seen hangin' with some cold killas  
I ain't never back down or ran from no nigga  
I ain't sat down yet, pimp, standin' gorilla  
Even if I'm all alone or standin' four niggas  
Tell 'em jump, pimpin' it don't get no realer  
5'9" with the soul of a 6'4" nigga  
I separated the fakes paralyzed from the waist down  
From the real stand-up guys of the A-Town  
Can't even look me in my eyes, put ya face down  
I'm outta jail, nigga, what you gotta say now?  
Motivation  
Niggas' fakin' only gonna inspire (Motivation)  
All ya hatin' is fuelin' my fire (It's motivation)  
Niggas plottin' on the crown soft droppin' (It's motivation)  
Hey but I ain't slowin' down and I ain't stoppin' (Motivation)  
Now nigga, don't stop my show (Motivation)  
You ain't know? I don't stop, I grow (It's motivation)  
Sucka niggas can't make me suffer  
Just make me stronger and make me tougher (Ay, ay, ay, ay, it's motivation) Me locked in a  
box, niggas happy to see  
Put anybody on top, any rapper but T.I.P.  
But back to reality G, ...O.D. still carryin' me, nigga I run this  
Spread ya rumors, kick all ya li'l dumb shit  
Tell lies, laugh 'bout the time that I'm gon' get  
If it make you feel better, picture me over and done with  
Punk bitch, come with all the gossip you can come with  
Small thang to a giant, I can overcome this  
Jail, out and done this, rap I'm just havin' fun with  
I could be a local joker, never have one hit  
Nigga, New Finish alone'll get me dumb rich  
Why these rappers sellin' records, gettin' pennies?  
If Grand Hustle sell any, I'ma get plenty

If God with me, who could be against me, sucka?  
Can't make me suffer, just make me tougher
