

# Cinco de Mayo

## Baby Bash & Frankie J

I wanna kick it with you  
Just party like a cinco de mayo  
Just know how we do  
Everybody keep staying round  
You, let's party like a cinco de mayo  
You know how we do  
Everybody keep sellin' milo()  
Let's party like cinco de mayo  
Chop it up like pico de gayo  
Cause every time you see me you smile  
We smokin' fuego, it's loud  
We in the drop top Chevy like  
Candy wet like carrie  
Every day we celebrate  
When we dance, my hand's on your derrier  
You don't believe me, just watch me  
Shots of tequila, while she dance the mariachi  
Party with all our amigos  
Huevos not that titos  
Slayer made meseche and I'm all about my cheetos  
Is she a fly mamacita, sexy noche y villa? girl, and all that sang-sangria  
Follow me, it's all to the G  
Let's spend the time tonight and get a lil' freaky
