Stand Back

Stevie Nicks

No one looked... as I walked by
Just an invitation would have been just fine
Said no to him... again and again
First he took my heart... and then he ranNo one knows how I feel
What I said unless you read between my lines
One man walked away from me
First he took my hand... take me homeStand back... stand back
In the middle of my room
I did not hear from you
It's alright... it's alright
To be standing in a line
(Standing in a line)
To be standing in a line
I cry...
Do not turn away my friend
Like a willow I can bend
No man calls my name
No man cameSo I walked on down away from you
Maybe your attention was more
Than you could do
One man did not call
He asked me for my love
And that was allStand back... stand back
In the middle of my room
I did not hear from you
It's alright... it's alright
To be standing in a line
(Standing in a line)
To be standing in a line
I cry.
So I walked on down the line
Away from you
Maybe your attention was more
Than I could do
One man... did not call
Well he asked me for my love
That was allStand back... stand back
In the middle of my room i did not hear from you
Its alright... its alright
To be standing in a line
(Standing in a line)
To be standing in a line

I cry...
(Repeat once more)
