Ladies and Gentlemen
Boys and Girls
Gather 'Round
Gather 'Round
Sit Back
Relax
And please stay in your seats
Kick your feet up
And grab some popcorn
Oh
And of course
Lest we not forgetEnjoy The Show
Come One
Come All
And Behold we have a Sight
Inmeasurable
A Spectacle
Of Innocence and Fright
Oh Maybe
2, 3, 4...
Or Even Five Long Nights
Now You're Crawling
Ever Stalling
With No End in SightUp All Night
To see if you can make it
All New Friends
To see if you can take it
Be Still Be Quiet
They still know you haven't left yet
And We'll Pretend
We'll Just Pretend
Pretend that day would never end
I'll Make Believe
That you can see
Everything they did to me
Nowhere to hide
And now we're through
But if we were just like you
I'll be your friend
I'll be your friend
You can trust me 'till the endThere's something bad inside me
I'm broken beyond fixing

Save me
I know that we've all been here
It only hurts a second
There's nothing to fearI have you hidden
Way to well
It's time to let you out
Put on a mask to hide yourself
That made you one of us nowAnd we'll pretend
We'll Just Pretend
Pretend that day would never end
I'll make believe
That you can see
Everything they did to me
Nowhere to hide
And now we're through
But if we were just like you
I'll be your friend
I'll be your friend
You can trust me 'till the endWe need you
So we can escape
If they find you
It'll be too late
We need you
So we can escape
If they find you
It'll be too lateAnd we'll pretend
We'll Just Pretend
Pretend that day would never end
I'll make believe
That you can see
Everything they did to me
Nowhere to hide
And now we're through
But if we were just like you
I'll be your friend
I'll be your friend
You can trust me 'till the endNow we're afraid
We're all afraid
Afraid that it might be too late
They never learn
To wait their turn
Now we get to watch them burn
(To watch them burn)
Nowhere to hide
And now we're through
But if we were just like you
I'll be your friend
I'll be your friend
You can trust me 'till the endTrust me till the end!
