When Did You Stop Loving Me

Hunter Hayes

When did you stop loving me?
You let me down so perfectly
And you walked away so easily
Baby, tell me, when did you stop loving me?
Mmm
Tell me, when did you give up on us?
Did I love too much or not enough?
Is there someone else you're thinking of?
When did you give up on us?
What do I do
With the mess you made of me?
With all that I lose
I think you owe me one thing
No, I don't need you're reasons
Or your sympathy
Girl, just tell me, when did you stop loving me?
Tell me, when did you start drifting away?
And have you loved me less
With every single day?
If you were over me, girl, tell me,
Why did you stay?
When did you start drifting away?
What do I do
With the mess you made of me?
With all that I lose
I think you owe me one thing
No, I don't need you're reasons
Or your sympathy
Girl, just tell me, when did you stop loving me?
I just wanna know
When did you stop loving me?
Is this really how you want it to end?
With the like of love
And the loss of a friend?
Now I'm scared of loving anybody else again
Is this how you want it to end?
When did you stop loving me?
