#1 (feat. Nef The Pharaoh)

Dev

Number 1, get it in 1
1 1, get it in 1
Number 1, get it in 1
1 1, get it inBoyfriend number 2, but I was number 1
And I hardly hear your voice, it's like you up to somethin'
Why do I always feel alone, but you don't owe me nothin'
Deja vu, we did it trice, I think I'm Obie's cousin
Was always somethin' to me, but obviously was nothin'
Love from my backstroke, I could tell you wasn't frontin'
On a G6 in the mile high club
Never was a gentleman, I was always your thug
111, get it in 1
1 1, get it in 1
111, get it in 1
Number 1 fan, never get it in
111, get it in 1
1 1, get it in 1
111, get it in 1
Number 1 fan, never get it inLast summer, I was riding in your Hummer
Baby, isn't it a bummer that it's over
Crazy, I used to call you baby
But now you hate me
We used to go all night, but now it's just a fuckin' bar fight
I know you hate it when I talk like that
Aw right, you remember prom night
Yeah that was a bomb night
I try to stay committed
But you never stay committed, I don't get it
I used to be your number 1 fan, never get it
Used to be your number 1 fan
I try to stay committed
But you never stay committed, I don't get it
I used to be your number 1 fan, never get it
Used to be your number 1 fan111, get it in 1
1 1, get it in 1
111, get it in 1
Number 1 fan, never get it in
111, get it in 1
1 1, get it in 1
111, get it in 1
Number 1 fan, never get it inRemember, in the middle of December
You were practically a member of my family

It kinda sucks that I always have this kinda love
We used to drink all day, stay up listenin' to Kanye
He used to love to take the long way home
But these days, all I have it keep sakes
Inside a briefcaseI try to stay committed
But you never stay committed, I don't get it
I used to be your number 1 fan, never get it
Used to be your number 1 fan
I try to stay committed
But you never stay committed, I don't get it
I used to be your number 1 fan, never get it
Used to be your number 1 fan111, get it in 1
1 1, get it in 1
111, get it in 1
Number 1 fan, never get it in
111, get it in 1
1 1, get it in 1
111, get it in 1
Number 1 fan, never get it in
