In this motherfucker, Keith Murray. L.O.D.  
From the city niggaz, ha ha ha...Keith Murray`s still coming from the north, south, east, west

Obsessed with my success will make me crack your treasure chest (yes)  
Hot tales of terror slip from my lip clearer  
Slip up the L.O.D. will be behind you in the mirrorI make MC`s go from regular to fantasize  
Realize my Squad be categorized  
I think the devil`s in this beat, fuckin with my speech  
Makin' me do his dirty workMakin' niggaz kill each other on the streets  
Mo murder, mo murder  
Make no mistake, baby L.O.D. traditional  
Don`t make me have to come lookin for you  
So, see what I`m sayin' and watch your mouth  
'Cause my motherfuckin' Squad hits the streets like a blackout  
What is exactly real? What is represent?  
I see MC`s down and get in my last hits (bitch)Niggaz be around like "Yeah"  
That`s what you get for jumping in the ring with a bear[Chorus: x 2]  
Call my name and I`ll come runnin, gunnin  
All ya`ll bummin niggaz will get done in  
My Squad comes in all shapes, sizes and colorsAll you niggaz seem to hate us but your baby`s

I`m the grand royal, hard to wear and tear  
Rap specimen, pissin on all you mere peasantsWith virtuality, poetry I successfully  
Bring crews agony in virtual reality  
See, first I puzzle your brain like The Riddler  
Then, I catch you in the gut like Jack the Ripper

Wack MC get rid of nigga  
I take it to the extreme, and overkill like Dramamine  
Y`all niggaz is sweet like jellybeansPlus I knew your punk ass was soft  
I see you in the street, you try to talk my fuckin ear off  
I`m the high wrecka, mic checka

making MC`s nervous.

Which MC is in my category, if any, not many  
See you thought like Nellie, now you shit like jellyAfter the surgeon is finished stitchin' up that
