

# Wide River to Cross

[Buddy Miller](#)

There's a sorrow in the wind  
Blowing' down the road I've been  
I can hear it cry while shadows steal the sun  
But I can not look back now  
I've come to far to turn around  
And there's still a race ahead that I must run  
I'm only halfway home I gotta journey on  
To where I'll find the things that I have lost  
I've come a long long road still I've got miles to go  
I've got a wide wide river to cross  
I have stumbled I have strayed  
You can trace the tracks I made  
All across the memories my heart recalls  
But I'm just a refugee won't you say a prayer for me  
Cause sometimes even the strongest soldier falls
