Actress

Jim James

You're good at making everyone believe that they love you
A little wink of the eye a little glimpse of the thigh and we're in heaven
Whether or not it's true
I believe in the concept of you
With personality
Destructing realityOh that dress the fact is
I believe in the myth and the legend
No reality
Don't believe in everything
I believe in a heightened emotion
Truth stings
And in a blink of an eye
Your life changes
What I came to know is you
Had been replaced by something new
Oh what an actressWhether or not it's true
I believe in the concept of you
With personality
Destruct my realityOh actress the fact is
I believed in the myth and the legend
Thought I knew reality
but you were training to be
Lost in a fantasy
Oh actress the fact is
I believe in the myth and the legend
A new reality
And I believe in everything
Swayed by a sense of devotion
