

I Keep

Jill Scott

Some of them
Wanna break you down
Steal your crown
Use and abuse youSome of them
Smile in your face
'Cuz they heard it some place
You got more then their used toSome of them
Want to steal your love
Oh, 'cuz they're jealous of
How you're living and giving
(I keep)
Movin' forward
Pressing onward, strivin' further
(I keep)
Keep on laughin'
Keep on livin', keep on lovin', yeah
(I keep)Keep on dreamin'
Keep on achievin', keep on believin'
(I keep)
I keep smilin' when I come through
And I cry when I need tooSome of them
Oh, they stab you
In your back
'Cuz it's love they lack
Some of them
Won't even try
To see the good inside
But I(I keep)
Movin' forward
Pressin' onward, strivin' further
(I keep)
Keep on laughin'
Keep on livin', keep on lovin', yeah
(I keep)Keep on dreamin'
Keep on achievin', keep on believin'
(I keep)
Hey, oh oh oh(I keep on)
Keep on living
Keep on learnin', keep on smilin', ooh yeah
(I keep)
Keep on laughin', keep on livin'
Keep on lovin', yeah

(I keep)Keep on dreamin'
Keep on believin', keep on achievin'
(I keep)
I keep smiling when I come through
And I cry when I need toOh, yeah yeah yeah
Yeah yeah yeah yeah yeah
I keep on, keep on, keepin' on
Yeah, I keep, keep on
Keep keepin' on, keep keepin' on
