That's What Friends Are For

Dionne Warwick

And I never thought I'd feel this way
And as far as I'm concerned
I'm glad I got the chance to say
That I do believe, I love youAnd if I should ever go away
Well, then close your eyes and try
To feel the way we do today
And then if you can rememberKeep smiling, keep shining
Knowing you can always count on me, for sure
That's what friends are for
For good times and bad times
I'll be on your side forever more
That's what friends are for
(Stevie Wonder)
Well, you came in loving me
And now there's so much more I see
And so by the way
I thank you(Luther Vandross)
Oh and then for the times when we're apart
Well, then close your eyes and know
The words are coming from my heart
And then if you can remember(Stevie Wonder)
Keep smiling and keep shining
Knowing you can always count on Stevie, for sure
That's what friends are for
In good times and bad times
I'll be on your side forever more
That's what friends are for
(Whitney Houston)
Keep smiling, keep shining
Knowing you can always count on me, for sure
That's what friends are for
For good times and bad times
I'll be on your side forever more
That's what friends are for(Luther Vandross)
Keep smiling, keep shining
Knowing you can always count on me, for sure
That's what friends are for
For good times and the bad times
I'll be on your side forever more
That's what friends are for
