If You Don't Wanna Love Me

James Morrison

When you lower me down,
So deep that I
I can't get out
And when you're lost, lost and alone,
Yes you'd think it was the last place,
You'd come back for more
If you don't want me to leave,
Then don't push me away,
Rather blow out the lights you can watch it all fade
But I'm going nowhere
I'm gonna stay
When you just wanna fight
When you're closing you're eyes
'Coz you don't wanna love me
I'm gonna stay
You can't push me too far
Theres no space in my heart
Where I don't wanna love youAnd when theres no, no storm,
and how can I, feel the calm,
If theres nothin', nothin', nothin left to lose,
Then what is this feelin that keeps on bringin me back to you,So i'm gonna stay,
when you just wanna fight and ur closin' your eyes 'coz you dont wanna love me,
said i'm gonna stay oh yes i will,
you cant push me too far theres no space in my heart,
where i dont wanna love you.
If you ask me to leave
and I walked away
we'd still be alone, and we'd still be afraid
I'm going nowhere
I'm going nowhereCause I'm gonna stay
when you just wanna fight
and there's tears in your eyes
cause you don't wanna love meI'm gonna stay
all the tears that I've cried,
I could leave them to dry
if you don't wanna love me
I could leave them to dry
if you don't wanna love me
