Nobody Compares To You (feat. Katie Pearlman)

Gryffin

Thought I saw you at a bar last night
Oh yayaya
Oh yayaya
Hid in the bathroom, I just couldn't stay high
Oh yayaya
Oh yayaya'Cause I took so much time to reset my life
But in just one look, I'm back
Forget that I could have any one I like
But now all I remember is what we had
Nobody, nobody, nobody compares to you
Somebody, somebody please help me get over you
'Cause it feels like I've been wasting my time
In all the wrong places, on all the wrong faces
Nobody compares to you
Nobody compares to you
Nobody compares to youNobody compares to you
Nobody compares to youWhat should I do?
Maybe I'll move away
Oh yayaya
Oh yayaya
Start somewhere new, I'll let you have LA
Oh yayaya
Oh yayaya
'Cause I took so much time to reset my life
But in just one look, I'm back
Forget that I could have any one I like
But now all I remember is what we hadNobody, nobody, nobody compares to you
Somebody, somebody please help me get over you
'Cause it feels like I've been wasting my time
In all the wrong places, on all the wrong faces
Nobody compares to you
Nobody compares to you
Nobody compares to youNobody compares to you
Nobody, nobody, nobody
Nobody compares to you
To youYou're once in a lifetime
Better than new years at midnight
Want to grab on and hold tight
And I won't let go
I hope you can hear this

Cause it's your face that I miss
Your lips I wanna kissNobody, nobody, nobody compares to you
Somebody, somebody please help me get over you
'Cause it feels like I've been wasting my time
In all the wrong places, on all the wrong faces
Nobody compares to you
Nobody compares to you
Nobody, nobody, nobody
Nobody compares to you
