

We Are the Few

Streetlight Manifesto

Dear

Mr. Gepetto:

I hope this finds you well. I wrote this letter
Because we miss you here in hell. And now I know it's hard

When you don't know what to think,
And every single smile is a faux and you're waking up.

You might try but you won't get by
'Til you're crucified for all the things you try to do.

Yeah, I don't care if you sink or swim,

And I don't care how you hold it in,

As long as you don't bother me

With all the things I don't bother you with.

Nine times out of ten you might be right,

But what about that time you know you're wrong?

You sing that same song,

And everybody smiles but they'll never get along. I'm trying and

I'm trying and

I'm trying and

I'm trying to

Let go,

But everybody's going down tonight.

We are the few that won't say nothing right; We are the footsteps fading into the night.

Nobody cares, and nobody stares with

Such conviction and I say:

I never wanted this;

No one ever wanted this,

But they gave it to me so I might as well be proud of it,

And I don't know where we went wrong;

All I know now is I gotta do something right.

So come clean;

No one should have to live with the things you've seen.

But you're living anyway!

Well I stop the car and put her in park,

And I step outside, god I hate this part

When I see what I saw what I thought

Was a life that was more than a chore;

I'm just doing what I need to get by.

I don't care if you leave or stay

But you might as well split, 'cause it's Not the same as it was

When we said our last goodbye,

And if you want the truth:

I was hoping one of us would

Pass away 'cause it'd be much easier then;
We could all get together and think about when
We were young, we were dumb, we were numb, but in love And I'm done so I'm sending out
this letter today.
I'm trying and
I'm trying and
I'm trying and
I'm trying
To let go;
But everybody's going down tonight. We are the few that won't say nothing right;
We are the footsteps fading into the night.
Nobody cares and nobody stares with
Such conviction and I say:
I never wanted this; no one ever wanted this,
But they gave it to me so I might as well be proud of it
I don't know where we went wrong;
All I know now is I gotta do something right.
This has been the best night of my life. This has been the best night of my life.
I could have lost my life,
And I would have lost my mind,
But now I'm fine,
And I find That this has been the best night of my life.
This has been the best night of my life.
(I still can't believe they had the heart to apologize)
This has been the best night of my life.
(I still can't believe they had the heart to apologize)
I could have lost my life, And I would have lost my mind,
But now I'm fine,
And I find
That this has been the best night of my life.
And as the day fades,
No one investigates.
Nobody answers when she calls his name. Another victim, somewhere in a shallow grave;
I want to hold her and tell her, "It's not your fault."
And as the day fades,
No one investigates.
Nobody answers when she calls his name.
Another victim, somewhere in a shallow grave;
I want to hold her and tell her "It's not your fault."
It's not your fault
We are the few that won't say nothing right.
We are the footsteps fading into the night.
Nobody cares and nobody stares with
Such conviction and I say:
I never wanted this; no one ever wanted this,
But they gave it to me so I might as well be proud of it.
I don't know where we went wrong.
All I know now is I got to do something right.
We are the few that won't say nothing right;

We are the footsteps fading into the night.
Nobody cares and nobody stares with
Such conviction and I say:
I never wanted this; no one ever wanted this,
But they gave it to me so I might as well be proud of it
I don't know where we went wrong;
All I know now is I gotta do something
Right.
