Sex Like Me (feat. Dyson)

Loud Luxury

She can't sex like me
See can't be the one that bring you to your knees (Ooh, ah)
I made you feel like a king that's royalty
Shame it took so long for you to see, too bad babyShe can't sex like me
See can't be the one that bring you to your knees (Ooh, ah)
I made you feel like a king that's royalty
Shame it took so long for you to see, too bad baby
She can't sex like meNah-nah, nah-nah, nah
Nah-nah, nah-nah
Nah-nah, nah-nah, nah
She can't sex like me
Nah-nah, nah-nah, nah
Nah-nah, nah-nah
Nah-nah, nah-nah, nah
She can't sex like me(She can't sex like me)I do those things, make a good girl naughty
Up all night long, at the private party
We were one beneath the sheets yeah
Fucking and repeating day and nightI say goodnight, I'll be alright
Take her home
When you're touching her I know that it's
Me you want, yeah
Soon as she done I know that you'll
Hit my phone
Like you don't already know
Like you don't already know
She can't sex like me
See can't be the one that bring you to your knees
I made you feel like a king that's royalty
Shame it took so long for you to see, too bad babyShe can't sex like me
See can't be the one that bring you to your knees
I made you feel like a king that's royalty
Shame it took so long for you to see, too bad baby
She can't sex like me(She can't sex like me)
