Soon as I get'cha 'cause I know that you was waitin' for me
I get it started for you, I get it started for you
Soon as I get'cha 'cause I know that you was waitin' for meYo, yo, yoIf school was pussy, I wouldn't miss a day
Big John Jay slay around the way, fish fillet
Taste the truth, ay' no more lies like Michel'le
Keep my kids frost like they was born in East L.A.
Told yo' buy yo' weed by the ounce, twins let's bi-dounce
That shit they talkin' don't add up, I say what get down

Throw 'em up, slow 'em up, light the wic blow C1
