Counting Stars

OneRepublic

Lately, I've been, I've been losing sleep
Dreaming about the things that we could be
But, baby, I've been, I've been praying hard
Said, no more counting dollars, we'll be counting starsYeah, we'll be counting starsI see this life like a swinging vine
Swing my heart across the line
And my face is flashing signs
Seek it out and ye shall findOld, but I'm not that old
Young, but I'm not that bold
And I don't think the world is sold
On just doing what we're told
I feel something so, but right doing the wrong thing
And I feel something so wrong, but doing the right thing
I could lie, could lie, could lie
Everything that kills me makes me feel aliveLately, I've been, I've been losing sleep
Dreaming about the things that we could be
But, baby, I've been, I've been praying hard
Said, no more counting dollars, we'll be counting starsLately, I've been, I've been losing sleep
Dreaming about the things that we could be
But, baby, I've been, I've been praying hard
Said, no more counting dollars, we'll be, we'll be counting starsI feel the love, and I feel it burn
Down this river, every turn
Hope is a four-letter word
Make that money, watch it burn
Old, but I'm not that old
Young, but I'm not that bold
And I don't think the world is sold
On just doing what we're toldAnd I feel something so wrong, but doing the right thing
I could lie, could lie, could lie
Everything that drowns me makes me wanna flyLately, I've been, I've been losing sleep
Dreaming about the things that we could be
But, baby, I've been, I've been praying hard
Said, no more counting dollars, we'll be counting starsLately, I've been, I've been losing sleep
Dreaming about the things that we could be
But, baby, I've been, I've been praying hard
Said, no more counting dollars, we'll be, we'll be counting starsTake that money, watch it burn
Sink in the river the lessons I've learned
Take that money, watch it burn
Sink in the river the lessons I've learnedTake that money, watch it burn
Sink in the river the lessons I've learned
Take that money, watch it burn
Sink in the river the lessons I've learnedEverything that kills me makes me feel aliveLately, I've

been, I've been losing sleep
Dreaming about the things that we could be
But, baby, I've been, I've been praying hard
Said, no more counting dollars, we'll be counting starsLately, I've been, I've been losing sleep
Dreaming about the things that we could be
But, baby, I've been, I've been praying hard
Said, no more counting dollars, we'll be, we'll be counting starsTake that money, watch it burn
Sink in the river the lessons I've learned
Take that money, watch it burn
Sink in the river the lessons I've learnedTake that money, watch it burn
Sink in the river the lessons I've learned
Take that money, watch it burn
Sink in the river the lessons I've learned
