Love

NONONO

Love, love, love
Love, love, love
Love, love, loveIn your eyes change when you're looking at me
You're walking downstairs and you leave
And you turn into a crippled man
And my heart is ripped out and thrown on the floor
There's no pieces to be picked up anymore
Though you promised me the promised land
Yeah, you promised me
Love, love, love
Love, love, love
Love, love, love
Yeah, you promised me
Love, love, love
Love, love, love
Love, love, love
Gimme love, gimme hope
Gimme faith, come on, love!And the town is turning to the roof of the sounds
Trying, but I can't turn it down, stuck here in middle air
You eyes holding someone else by the back
Seeing all your pictures in black
You promised me the promised land
Then you promised me
Love, love, love
Love, love, love
Love, love, love
Yeah, you promised me
Love, love, love
Love, love, love
Love, love, love
Gimme love, gimme hope
Gimme faith, come on, love!Lalalalalalalalove
Lalalalalalala
Lalalalalalalalove
LalalalalalalaGimme love, gimme hope
Gimme faith, come on, love!
