

Run

Collective Soul

Are these times contagious?
I've never been this bored before
Is this the prize I've waited for?
Now, with the hours passing
Theres nothing left here to mature
I long to find a messengerHave I got a long way to run?
Have I got a long way to run?
Yeah, I runIs there a cure among us
From this processed sanity?
I weaken with each voice that sings
Now, in this world of purchase
I'm going to buy back memories
To awaken some old qualitiesHave I got a long way to run?
Have I got a long way to run?
Yeah, I run
Yeah, I run
Have I got a long way?
Have I got a long way?
Have I got a long way to run?
Have I got a long way to run?
Yeah, I run
(have I got a long way to run?)
Yeah, I run
(have I got a long way to run?)
Yeah, I run
(have I got a long way to run?)
Yeah, I run
(have I got a long way to run?)
