Case 19 (feat. 6ix9ine)

Jasiah

I got like 30,000 hoes, nigga
I have a problem
Yuh, ayy, yuhTalk shit, talk shit, talk shits, huh, yuh
YeahMake a nigga wanna take a step back
I can't fuck that hoe if her ass flat
Don't need no bitch, you can have that
Fuck that shit, where the motherfucking cash at?
Make a nigga wanna take a step back
I can't fuck that hoe if her ass flat
Don't need no bitch, you can have that
Fuck that shit, where the motherfucking cash at?
Nutted in her hair, shorty mad, so what?
Fuck a nigga bitch, then I dip, oh shit
Does a hit make your motherfuckin' shit blow up?
You silly niggas not ready
Forget it, behead him
Fuck shit up, start armageddon
I've had it with you, fuck nigga
Need the cash now, can't fuck with youMake a nigga wanna take a step back
I can't fuck that hoe if her ass flat
Don't need no bitch, you can have that
Fuck that shit, where the motherfucking cash at?
Choppa got a whole lot of kick, boy
Choppa hold a 100, I don't miss, boy
Duct tape wrapped around the clips, boy
Dump one, flip back in, boy
Talk to me nice or don't talk at all
Shooters got the tool, it's busting off
I got the pump and all, this shit jumping off
'Cause there 'bout to be a shootout when niggas pop out
30 clips and extendos, nigga
Shooters all go off the wind blow, nigga
We don't miss, lil' nigga, you get hit, lil' nigga
If I don't got it, you know 5 gon' get youMake a nigga wanna take a step back
I can't fuck that hoe if her ass flat
Don't need no bitch, you can have that
Fuck that shit, where the motherfucking cash at?
Make a nigga wanna take a step back
I can't fuck that hoe if her ass flat
Don't need no bitch, you can have that
Fuck that shit, where the motherfucking cash at?
