Who's gonna be my savior
Now that I've learned to believe?
Who's gonna be the answer
To all of my questioning?
Well, I hope I'm not lost
But I think that hope is now distancing
And the words that secure a cause
Are now faint whisperings Who's gonna wear my crown?
Who's gonna wear my crown?
I don't know, I just might alone
Who's gonna wear my crown?
Who's gonna wear my crown?
I don't know, I've just got to go my way
Who's gonna be my partner
Now that I stand here alone?
Who's gonna be the shepherd
To lead this poor boy back home?
Well, I hope I'm not lost
But I think that hope is now distancing
And the words that secure a cause
Are now faint whisperings Who's gonna wear my crown?
Who's gonna wear my crown?
I don't know, I just might alone
Who's gonna wear my crown?
Who's gonna wear my crown?
I don't know, I've just got to go my way
Who's gonna wear my crown?
Who's gonna wear my crown?
I don't know, I just might alone
Who's gonna wear my crown?
Who's gonna wear my crown?
I don't know, I've just got to go
