El Diablo (feat. Sludge)

Carnage

I'm just looking for a good time
To set my spirit free
Ain't got nothing but blue skies
Up there in front of me
Oh, in front of meGirl, what's your name?
Tell me now, what are you drinking?
You know, it's getting late
Tell me, do you need a friend?
Someone to hold onto
Someone to take you there
To the wild blue
Disappear without a care
Say the words and I'm right there
I'm just looking for a good time
To set my spirit free
Ain't got nothing but blue skies
Up there in front of me
Oh, in front of me
So tired of chasing
The end of that rainbow
All the money we're making
Won't mean a thing when we go
Don't wanna wake up
Someday thinking I've
Worked my life away
And I'm running out of time
From now on I swear that I'm
