

See the Stars (feat. Ernie Halter & Matt Cusson)

[Melissa Polinar](#)

Love, don't fight it
Give in to love
And love, don't deny it
together the walls will come crashing down
to the ground
and finally see the stars there'll be moments
the blanket of night
will hide us in silence
but together we'll spark
the light in our eyes
and take flight
and finally see the stars
and the longings of our hearts
will subside and rescue us from harm
when we're almost drowning in the deep
and say that we're done Love, don't fight it
Give in to love
And love, don't deny it
together the walls will come crashing down
to the ground
and finally see the stars
there'll be moments
the blanket of night
will hide us in silence
but together we'll spark
the light in our eyes
and take flight
and finally see the stars together the walls will come crashing down
to the ground
and finally see the stars
