Need the Sun to Break

James Bay

I'm half way gone
Sleepless I'm battle worn
And you're all I want
So bring me the dawnI need the sun to break, you've woken up my heart
I'm shaking
All my luck could change
Been in the dark for weeks
And I realise, you're all I need
I hope that I'm not too late
I hope I'm not too late
Back of the room
How come my friends already know you
I feel like a kid
To shy to speak up so I keep it here
Ohh butterflys
You steal my sleep each nightI need the sun to break
You've woken up my heart
I'm shaking
All my luck could change
I've been in the dark for weeks and I realise
You're all I need
I hope that I'm not too lateI hope I'm not too late (ooh, oh oh, ooh, oh oh, ooh, oh oh)
I need the sun to break
You've woken up my heart
I'm shaking
All my luck could change
I've been in the darks for weeks
And I realise you're all I need
And I hope that I'm not too late
I hope that I'm not too late
Yes I hope
I'm not to late (ooh, oh oh, ooh, oh oh, ooh oh oh)
