Can't Stop Loving You (Duet with Isaac Slade)

Sara Evans

I try to crush it like the ashes of a cigaret.
I try to smother out the embers but i just can't quit.
If theres a way to put it out i havent found it yet.
Havent found it yet
Its like a habbit its a craving running through my veins
Its an obseesion an addiction that i can't explain
If i give up everything there one thing that will still remain
it will never change
Because i cant stop
No i can't stop
No i cant stop loving you
I try to pour it out like whiskey running down the drain
Its like trying to empty out a river in an ending spring
i just accepted that resisting is a losing game
theres no other way
Because i cant stop
No i can't stop
No i cant stop loving you
Cant stop loving you
I cant, i cant, i can't
(Baby even if i wanted too)
I cant stop
(no i cant stop)
no i cant stop
(no i cant stop)
no i cant stop
(Ahhh)
i cant stop
no i cant stop
no i cant stop
Its like a habbit its a craving running through my veins
(loving you) (no i cant stop)
Its an obseesion an addiction that i can't explain
(no i cant stop) (no i cant stop) (loving you)
I try to smother out the embers but i just can't quit.
(no i cant stop) (no i cant stop)
If theres a way to put it out i havent found it yet.
(no i cant stop) (no i cant stop)
no i can't stop loving you.
