Dirty Work

Austin Mahone

Rolling my sleeves up to here
To make you smile ear to ear
Girl I been hitting that
Hitting that graveyard shift
You won't find another one built for this
Dirty work, ooh
Dirty work
Baby I don't need your help
I'd do it all by myself
Girl I been putting in, putting in over timeYou ain't gotta tell me what's on your mind
Dirty work, ooh
Dirty work
Cause when you do what you love
You're gonna love what you do
You know I do it with loveEach night I do it for you
It's the dirty work
Somebodies gotta do it
Dirty work
So we're getting into it
Dirty work
Go and get your body moving
You know it ain't no nine to fiveWe're going sundown to sunrise
Dirty workDirty workI'm filthy down to the core
Leave all your stress at the door
You know you need to stop scrubbing with Mr. CleanBring it right here, come next to me
Dirty work, ooh
Dirty work
Cause when you do what you love
You're gonna love what you do
You know I do it with loveEach night I do it for you
It's the dirty work
Somebodies gotta do it
Dirty work
So we're getting into it
Dirty work
Go and get your body moving
You know it ain't no nine to five
We're going sundown to sunrise
Dirty work
Dirty work
Na, na, na, na, na, na, na, na, na, na
Na, na, na, na, na, na, na, na, na, na

Dirty work
Na, na, na, na, na, na, na, na, na, na
Na, na, na, na, na, na, na, na, na, na
Na, na, na, na, na, na, na, na, na, na
Na, na, na, na, na, na, na, na, na, na
Dirty work
Na, na, na, na, na, na, na, na, na, na
Na, na, na, na, na, na, na, na, na, na
Cause when you do what you love
You're gonna love what you do
You know I do it with love
Every time I'm with you
It's the dirty work
Somebodies gotta do it
Dirty work
So we're getting into it
Dirty work
Go and get your body moving
You know it ain't no nine to five
We're going sundown to sunrise
Dirty work
