A Fantasy Love Affair

Peter Brown

ired of living
This fantasy love affair
Dit, dit, dit, dit, dit, dit, dit, dit!
Dit, dit, doo!
Dit, dit, dit, dit, dit, dit, dit!
Dit, dit, dit, dit, dit! Dit, dit, dit!
You tell me you love me, Then you tell me goodbye
You played my emotions and you made me cry
All this confusion is making me spin
So reach a conclusion
To keep me out or take me in
Tired of giving
The feelings you never share
Tired of living
This fantasy love affair
Dit, dit, dit, dit, dit, dit, dit!
Dit, dit, dit, dit, dit!
I was locked in devotion and I'm able to see
That the lies of your lovesong made a fool of me
So I knew it with feeling, You would never be true
And the end's a beginning
Tired of giving
The feelings you never share
Tired of living
This fantasy love affair
Dit, dit, dit, dit, dit, dit, dit!
Dit, dit, dit, dit, dit!
[Instrumental]
So tell me you love and then tell me goodbye
Cause the chain has been broken and I'm gonna fly
All the confusion has grown a new man
And the final conclusion
Is the chance for me to live again
Tired of giving
The feelings you never share
Tired of living
This fantasy love affair
Tired of giving
The feelings you never share
Tired of living
This fantasy love affair
Tired of living

This fantasy love...
Dit, dit, dit, dit, dit, dit, dit!
Dit, dit, dit, dit, dit!
Dit, dit, dit, dit!
