Slow (feat. Noah Cyrus) [CID Remix]

Matoma

It's three o'clock in the morning
No one can make me go home
'Cause no ones waiting there for me
And I just can't be alone
Your green eyes are a weapon
Shot a whole in my heart
Now I'm falling for the bad one
And I'm seeing signsI don't wanna go slow, oh
I don't wanna go slow, oh
Every time you're pulling backwards
I'm just gonna fall in faster
'Cause I don't wanna go slow, oh
No one likes being honest, but Imma give you that
So ask me how much I want you, and Imma whisper back
How many other guys you know saying
"Hold up front, I'll take care of you"
'Cause now I fell for the bad one, and it's never lessSo I don't wanna go slow, oh
I don't wanna go slow, oh
Every time you're pulling backwards
I'm just gonna fall in faster
'Cause I don't wanna go slow, ohI don't wanna-
I don't wanna-
No I dont wanna go slow, oh
I don't wanna go slow, oh
I don't wanna go, no
I don't wanna go slow, oh
I don't wanna go slow, (I don't wanna go, I don't wanna go) oh
Every time you're pulling backwards
I'm just gonna fall in faster
'Cause I don't wanna go slow, ohI don't wanna-
I don't wanna go slow
I don't wanna-
