Percolator

Stereolab

J'ai tres tres peur ca c'est certain,
J'ai tres tres peur mais beaucoup moins
Que tous les gens a cette table
De mon bateau ancre profond,
Naviguer une direction
Et aller loin.PercolatorI am very very scared, that's for sure
I am very very scared but much less
Than all the people at this table
Of my deeply anchored boat
Choose a direction
And go there
