High Blood Pressure (feat. Keb' Mo')

Jerry Douglas

(feat. Keb' Mo')I get a High Blood Pressure
When you call my name, uh
I get a High Blood Pressure
When you call my name, uh.
I get a High Blood Pressure
Baby, when you by my side, uh
I get a High Blood Pressure
Baby, when you by my side, uh
Yes, I get a High Blood Pressure
When you here with me, oh yeah
I get a High Blood Pressure
I can hardly speak, oh yeah.
I get a High Blood Pressure
Yeah, baby when you're in my arms, uh
I get a High Blood Pressure
Yeah, baby when you're in my arms.
And I get to jump up and down in my ring
Hard get to jump up and down as a spring
Chills run up and down my spine
It's true,
My face gets all sweat and it's all because of you.And, I get a High Blood Pressure
Cause my eyes go mad.And my heart gets to jump
It's a terrible swing
My heart get to pump up and down my pain
Chills run up and down my spine
It's true,
My face gets all sweat and it's all because of you.
I get a High Blood Pressure
'Cause I'm your man! Oh, yeah
Call a doctor, somebody!
Give my medicine.
I get a High.
Oh, yeah
Well I get a little.
Baby when you, uhmm
I-I-I get a High Blood Pressure
Baby, when you call my name.
