Summertime Magic

Childish Gambino

You feel like summertime
You took this heart of mine
You'll be my valentine in the summer, in the summer
You are my only one
Just dancin' having fun
Out in the shining sun of the summer, of the summerDo love me, do love me, do
Do love me, do love me, do
I love you
Do love me, do love me, do
Do love me, do love me, do (ohh)
Put no one else above you
Do love me, do love me, do
Do love me, do love me, do (yeah)
I need you
Do love me, do love me, do
Do love me, do love me, do (oh!)
Do love me, do love me, do
Do love me, do love me, do
I love you
Do love me, do love me, do
Do love me, do love me, do
Put no one else above you
Do love me, do love me, do
Do love me, do love me, do
I need you
Do love me, do love me, do
Do love me, do love me, do
Is it summertime magic
That makes me wanna dance all night long
It's your summertime magic
Make me feel this way
Girl, oh your love
Girl, oh you're my world
(Baby!)
Baby girl
(Woo, ah!)
My whole world
Hoo, oh!You feel like summertime (oh, yes you do)
You took this heart of mine (you know you did)
You'll be my Valentine (Valentine)
In the summer (in the summer)
In the summer

(Do love me, do love me, do)
(Do love me, do love me, do)
I love you
(Do love me, do love me, do)
(Do love me, do love me, do)
Put no one else above you
(Do love me, do love me, do)
(Do love me, do love me, do)
Your style, your braids, your eyes
(Do love me, do love me, do)
(Do love me, do love me, do)
So summertime
(Do love me, do love me, do)
(Do love me, do love me, do)
All I wanna do is let you shine
(Do love me, do love me, do)
(Do love me, do love me, do)
I love you
(Do love me, do love me, do)
(Do love me, do love me, do)
Put no one else above you
(Do love me, do love me, do)
(Do love me, do love me, do)It's your summertime
It's your summertime magic
