Parchment Farm

Dead Moon

I'm sitting over here on parchman farm.
I'm sitting over here on parchman farm.
I'm sitting over here on parchman farm,
Ain't never done no man no harmWell, I'm putting that cotton in a never-full sack.
Well, I'm putting that cotton in a never-full sack.
Well, I'm putting that cotton in a never-full sack,
A twelve-gauge shotgun at my back.
I'm sitting over here on parchman farm.
I'm sitting over here on parchman farm.
I'm sitting over here on parchman farm,
Ain't never done no man no harm.
