Round in Circles

Charles Kelley

Why now, why here, why this old spot where we got started?
Red shoes, red dress, red dress
Damn, girl couldn't look any hotter
Yeah, I know that you know I'll be here tonight, yeah
Something 'bout you
Something 'bout me like a flame near gasoline, yeah
Somethin' gonna burn, somethin' gonna break
If you don't take your eyes off of me
I thought you said we were gonna call it friends
So why you back here again? Oh
Girl, I can bet in the morning
You gonna leave without warning
It's gonna drive me crazy
But nothing can save me now
You got your hand on my hips
Pulling me close as you kiss my lips
We both know where this is going now
So we go
On and on and on and on and on and on and on
On and on and on and on and on and on and on
We go (we go)
Yeah, we go round in circles
Round in circles (yeah)How long, how much is too much, girl, til you're onto another?
But right here, right now, you can lay with me underneath these covers
Cause you know, I know that you're just playing games
You're never gonna change
Girl, I can bet in the morning
You gonna leave without warning
It's gonna drive me crazy
But nothing can save me now
You got your hand on my hips
Pulling me close as you kiss my lips
We both know where this is going now
So we go
On and on and on and on and on and on and on (yeah, we go)
On and on and on and on and on and on and on (yeah, we go)
We go (we go)
Yeah, we go round in circles
Round in circles
OhGirl, I can bet in the morning
You gonna leave without warning
It's gonna drive me crazy

But nothing can save me now
(You got your hand on my hips
Pulling me close as you kiss my lips)
And I know that now
(We both know where this is going now)
So we go
On and on and on and on and on and on and on (yeah, we go)
On and on and on and on and on and on and on (yeah, we go)
We go (we go)
Yeah, we go round in circles
Round in circles
Round in circlesOh, yeah
Round in circles
Round and around, round and around, round and around
Oh, yeah
