Love Is Hell (feat. Trippie Redd)

Phora

Love is hell, yeah I know that shit
I be over shit, but I still can't get over you
Do it all for you, you know I got you, yeah
Baby I got you
Love is hell, yeah I know that shit
I be over shit, but I still can't get over you
Do it all for you, you know I got you, yeah
Baby I got youLove is hell, but I'd rather fight demons with you
Than live amongst the angels without you
Baby I can't be without you
Love is hell, but I'd rather fight demons with you
Than live amongst the angels without you
You know I can't be without you, without you
Yeah
I sip this Hennessy straight, take it straight to the face
I've been slurring my words, now I can't see straight
Fuck love all year, I've been going through hell
Is it real? Is it fake? Sometimes you just can't tell
They say you gotta have trust, can't even trust myself
Can't even trust myself, oh yeah
First I hate you, then I love you, now you leaving
I just don't want to be left with all these demons
'Cause they say that
Love is hell, yeah I know that shit
I be over shit, but I still can't get over you
Do it all for you, you know I got you, yeah
Baby I got you
Love is hell, yeah I know that shit
I be over shit, but I still can't get over you
Do it all for you, you know I got you, yeah
Baby I got you
Love is hell, but I'd rather fight demons with you
Than live amongst the angels without you
Baby I can't be without you
Love is hell, but I'd rather fight demons with you
Than live amongst the angels without you
You know I can't be without you, without youYeah, you know I can't be without you
You my baby, yeah I can't live without you
I'm so crazy about you, can't imagine having babies without you
You my baby, you my ride, yeah
With me baby is where you reside, yeah
It's the day, I'm not tired

But guess what? Today baby I got time, yeah
I'm so crazy 'bout you, yeah
Thing One and Thing Two, yeah
Bet them demons gonna lose, yeah
They was sleeping on me, let 'em snoozeLove is hell, yeah I know that shit
I be over shit, but I still can't get over you
Do it all for you, you know I got you, yeah
Baby I got you
Love is hell, yeah I know that shit
I be over shit, but I still can't get over you
Do it all for you, you know I got you, yeah
Baby I got you
Love is hell, but I'd rather fight demons with you
Than live amongst the angels without you
Baby I can't be without you
Love is hell, but I'd rather fight demons with you
Than live amongst the angels without you
You know I can't be without you, without you
