Tequila (Sylvain Armand Remix)

Dan + Shay

I can still shut down a party
I can hang with anybody
I can drink whiskey and red wine
Champagne all night
Little Scotch on the rocks and I'm fine, I'm fineBut when I taste tequila, baby I still see ya
Cutting up the floor in a Serotta t-shirt
The same one you wore when we were
Sky high in Colorado, your lips pressed against the bottle
Swearing on a Bible, baby, I'd never leave ya
I remember how bad I need ya, when I taste tequila
When I taste tequila
I can kiss somebody brand new and not even think about you
I can show up to the same bar
Hear the same songs in my car
Baby, your memory it only hits me this hardWhen I taste tequila, baby I still see ya
Cutting up the floor in a Serotta t-shirt
The same one you wore when we were
Sky high in Colorado, your lips pressed against the bottle
Swearing on a Bible, baby, I'd never leave ya
I remember how bad I need ya, when I taste Tequila
When I taste TequilaI ain't even drunk, I ain't even drunk
And I'm thinking
How I need your love, how I need your love
Yeah, it sinks in
When I taste tequila, baby I still see ya
Serotta t-shirt, the same one you wore when we were
Sky high in Colorado, your lips pressed against the bottle
Swearing on a Bible, baby, I'd never leave ya
I remember how bad I need ya, when I taste tequila
When I taste tequila
When I taste tequila
When I taste tequila
